At this stage we are looking for potential sites that we can offer to the residents in a future dedicated housing plan survey. The responses will then form the basis of our plan to be voted on in the referendum.

3. David, Henry and Maureen will meet with CDC on the 26th August to determine whether CDC intend to remove the right of the Parish to decide where the new housing must be located.
4. The next meeting will be held from **4.30 to 5.30pm on the 9th September 2015** at the village shop. The surveys for distribution will be handed out to those who will hand deliver them. Please let Maureen know if you cannot attend and are a distributor so arrangements can be made to get the surveys to you.
