

Notes from meeting 6th January 2016

In attendance MC GD MW AH DB CT MB DL HP part

1 Feedback from Goodwood

Any land they wish to develop has to be conditional on us getting the community benefit of the new road. We will include Home Farm site as an additional site and at the CM (consultation meeting) we need to make it clear that this is only an option conditional on the HC site and new road.

2 Agreed no changes to SBA until after site allocation agreed.

3 Housing criteria. As we have no detailed plans or drawings the CM needs to identify from our policies a design brief to which all development will need to comply.

4 Entry procedure at CM. Need a name and parish address before stars given out to ensure only residents vote.

5 Green spaces agreed changes to suggestions made by MC. These will be included in the Plan and on show at the CM.

6 CM issues

- Need a storyboard about the NP process.
- MC has prepared instruction letter for visitors. Review in light of discussions.
- Tea and coffee after meet and greet, Pat to supply. Volunteers will be sought to take care of the refreshments.
- Housing board should not be the first in line.
- Need chairs by tables.
- Sweets on tables.
- Process for post meeting voting for site via website max one week. Need to ensure parish resident. If users have to register all the better as it gives us a database of interest. Geert also has a list of subscribers to his website.
- AH suggested advertising on SpiritFM.
- Need process for visitor's suggestions.
- If 2 of the major sites tie we could promote both with fewer units. In order to indicate this, visitors should share stars and make a comment to this effect. We will not promote the full allocation on 2 schemes.
- The smaller sites can have a like or dislike comments sheet of some description.
- We will meet at 2:30 on the 14th.
- MC will draft a response to the owners of the village shop as they are concerned at the suggestion that the shop should be an Asset of Community Value. MC asked the group what the intention was. It was agreed that the intent was to have a shop not necessarily in the current location. A policy will be added supporting the allocation of and at the community hall for a shop if the existing shop ever ceased to trade.
