

BOXGROVE Neighbourhood Plan

BOXGROVE HALNAKER STRETINGTON CROCKERHILL

Dear Resident

Thank you for taking the time to attend today.

Around the room you will find displays which present the findings from the 2015 survey along with a set of proposed policies to deliver the outcomes from the findings.

Please visit each stand and let us have your views on the questions raised.

The Housing policies set out a number of options to meet the requirement by Chichester District Council for a minimum of 25 homes to be built in the Parish.

Each resident has been provided with 3 coloured dots. Please use these to indicate your preference from the sites shown.

The **GREEN DOT** should only be used if you **FULLY SUPPORT ONE SITE**. If you think the homes should be spread over **two sites then please use the YELLOW DOTS** to indicate which two sites you prefer. Please do not use both colours.

Please remember, **DOING NOTHING IS NOT AN OPTION**, we have to find a location for housing.

The dots will be counted and used to take the Plan forward to the next stage which is submission to Chichester DC and other statutory consultees for their comments.
