

Employment and Enterprise

We can designate land for employment.

* Where would you put it?

We can designate land for tourism activities.

* What would you like to see?

We can stop employment land being used for housing.

* Do you think this would be a good idea?

Environment and Heritage

We can protect our natural habitats and environment.

- * What would you wish to see protected?

We can increase the network of wildlife corridors

- * Where would you nominate?

We can preserve the character of the parish.

- * What things represent the character of the parish to you?

Getting Around

We can influence traffic issues in the parish.

- * Are there areas where you would want to see the speed limit reduced?

Footpaths and cycleways can be improved.

- * Where would you put new cycle routes or footpaths?

Parking can be improved.

- * How would you improve the parking in the parish?

Housing and Design

The Neighbourhood Plan has to accommodate up to 25 new homes.

Where would you put them?

Should we use just one site or share them around?

What design features are important in the Parish?

What do you think of the current proposal for 22 homes in Boxgrove?

Leisure and Community

We can designate community facilities that are important to the parish.

- * What would you nominate?

We can allocate land for recreation and sport.

- * What would you like to see?

We can preserve green and open spaces.

- * What green and open spaces matter most to you?
